6/8/16

There is no <sup>re</sup>dis<sup>2</sup> to the proposed  
frant, except as regards No 4. With  
regard to this situation it is noticed  
that while the monthly Exp<sup>r</sup> of is Rs  
about Rs 100 the Govt frant is  
proposed to be raised from Rs 40 to  
Rs 58. It is for consideration if  
such a large portion of the Exp<sup>r</sup> as 58%  
may be borne by Govt - ~~in the case of~~  
~~such institutions~~ - Under the frant in aid  
rules, the frant should be fixed  
after taking into account

1) the resources of the School other  
than the fee income

2) the fee receipts based on  
the standard rates in Chapter IV of  
Impre Ed. rules Part I.

It may be ascertained if what these  
items amount to and if it is usual for  
Govt to pay nearly 60% as a frant in aid

From

Rao Bahadur

M. SHAMA RAO, Esq., M.A.,

Inspector-General of Education in Mysore.

To

P. G. D'SOUZA, Esq., B.A., B.L.,

Secretary to the Government of H. H. the Maharaja of Mysore,

Education and Agricultural Departments.

SIR,

I have the honour to submit herewith for the kind sanction of Government a list of new grants and increase of grants recommended to certain educational Institutions for the current official year, and to state that as per Government Order No. 4943-55/Edn.32-14-10 dated 21st May 1915 these grants require sanction of Government.

The charge during the current year on account of salary grant viz. Rs. 765/- may be met from the lumpsum provision of Rs. 8000 for opening English schools in rural areas, Vernacular and other schools in the current year's budget under "18 EDN.- 8 Grants-in-aid, 2 Salary and Rent, -- Grants to Anglo-Vernacular, Vernacular and Sanskrit Schools. The grant of Rs. 50/- recommended for equipment to the Veerasaivasrama, Mysore, may be met from the provision of Rs. 5000 under 18 EDN. - 9 Grants-in-aid, 7, Grants for prizes, books, ~~etc~~ and furniture to aided schools.

I have the honour to be,  
Sir,  
Your most obedient servant,

M. Shama Rao  
Inspector General.

SAK

List of new monthly grants and increase of grants recommended for the year 1915-16.

| No. | Name of Institution.                       | Existing grant. | Grant applied for. | Grant recommended. | Remarks.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|-----|--------------------------------------------|-----------------|--------------------|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.  | Veerasaivasrama, Mysore                    | ...             | Rs. 80             | Rs. 15             | This is a Students' Home for Lingayet students opened in February 1915. The number of boarders is 16, of whom 5 are students of the Intermediate classes of the Maharaja's College, 1 is a student of the Under-graduate's class of the Training College and the rest are students of High School classes. The monthly recurring charge of the Asrama is Rs.80/- as shown below:--<br>House rent Rs.30, Cooks 20, Manager Rs.15, Menials, Rs.9. Contingency Rs.6/- Total Rs.80/-.<br>The Ashrama is under the management of an influential Committee of 23 members. The District Inspector of Education, Mysore who inspected the Institution on 9th November 1915 recommends a monthly grant of Rs.40/- and a grant of Rs.100 for equipment. A monthly -- grant of Rs.15 from 1st July 1915 and a lump sum -- grant of Rs.50/- for equipment may be sanctioned. |
| 2.  | High School Students' Home, Chikballapur   | ...             | 36                 | 25                 | A Students' Home for the benefit of the students of Chikballapur High School is keenly felt. The number on the roll of the High School on 30th June 1915 was 95, of whom about 25 were outsiders. The question of establishing a Students' Home at Chikballapur was considered at the Dasara Representative Assembly of 1914, and a report has been called for by Government. The Circle Inspector of Education, Bangalore, reports that a monthly grant of Rs.36 may be sanctioned for starting a Home. A grant of Rs.25/- may be sanctioned with effect from the date of opening.                                                                                                                                                                                                                                                                              |
| 3.  | St. Anthony's A.V.School, Wandidroog Mines | 8               | --                 | 10                 | The monthly expenditure is Rs.30/-. The number on the roll is 150, the average daily attendance being 145. There are 3 teachers working, all getting small salaries                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| 4.  | London Mission A.V.School, Anekal.         | 40              | 60                 | 58                 | The total income of the school, including the Government grant is Rs.1036 per annum, the total expenditure being Rs.1252. The balance of Rs.216 or Rs.18/- per mensem may be given as additional grant.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| 5.  | Saradavilas Pathasala, Mysore.             | 70              | ..                 | 100                | This is a flourishing Anglo-Sanskrit School in the Mysore City. It contains both English and Sanskrit classes. 12 teachers, are employed and they are all qualified. The number on the roll of the school is 425, the average daily attendance being 325. The total income of the school is Rs.190 per mensem and the expenditure is Rs.383 per mensem. The school is under the management of a Committee, with Mr. M. Venkatakrishnayya as its Honorary Secretary. The grant may be raised from Rs.70 to Rs.100/-.                                                                                                                                                                                                                                                                                                                                              |

are, and <sup>what</sup> ~~whether~~ the receipts  
based on the standard rates  
prescribed in Chap. IV of the  
Income Tax Rules, Part I,  
come to. ~~Information may~~

It is also observed that  
while the monthly expenditure  
of the school is about Rs 100,  
the grant has been proposed to be  
raised from Rs 40 to Rs 58. ~~for~~  
~~that~~ ~~It may~~ Information may  
be furnished as to whether  
it is necessary to give a  
grant in aid of nearly 60%  
to this school.
